

Standard Warranty on Plant and Landscape Materials

All plants installed by the Contractor are warranted for 90 days after planting. Replacements will be made with plants of the original size and quality as specified on the original invoice.

Replacement plants are not guaranteed. Plants purchased by the Owner, bulbs, roses, annuals, seed, and transplants are not warranted. If plants are installed while dormant, they are guaranteed to leaf by May.

The above warranty will not apply to plant material that dies due to owner neglect, chemical damage, animal damage, vandalism, fire, intentional or accidental damage, inadequate drainage, storms, drought, insects, exceptional or untimely freeze, or other acts of God.

Irrigation – Any irrigation part installed by the Contractor is warranted for 90 days after installation. Any part found to be defective will be replaced free of charge. Lines damaged from digging, and lightning damage to irrigation timers are not covered under this warranty.

Hardscape Materials – The contractor every possible effort to install landscape blocks, brick pavers, and stones on a properly compacted surface. Materials installed directly on the surface of the soil are not warranted against settling. Hardscape materials installed on gravel or sand base is warranted against excessive settling for 90 days after completion.

This warranty is valid only if the owners account is in good standing with the contractor.
